2011 General Assembly Day

January 25, 2011

This session I am thrilled to host my second "General Assembly Day" for residents of Virginia's Third Senate District. Last year was a tremendous success and we look forward again to an exciting time to learn about the political process and experience the General Assembly at work.

The programs will take place on Wednesday, February 16 and Thursday, February 17. Unfortunately, we will only be able to have 20 constituents attend per day. Because space is limited, please let us know as soon as possible if you will be able to attend. First come, first serve. If you were able to attend last year we would ask that you allow others the opportunity this year.

Please [Click Here](#) to verify that you are a resident of Virginia's Third Senate District. If you plan on attending, please reply to this email with your name, address and contact information as well as which day you plan on attending.
